Woven Heart Basket

Supplies

- Construction paper or felt in two different colors
- Scissors
- Ribbon or string for hanging the basket
- Optional: hole puncher

Steps

1. Cut the paper as shown below to create 2 oval shapes.
2. Gently fold each piece in half. Do NOT sharply crease the fold edge.
3. Cut three equally spaced slice cuts in each shape.
4. Position folded pieces so curves face up and to either side.
5. Weave the strips together by alternating between the loops going through or around one another.
6. Once one row is down, shift it upwards and do the next strip.
7. Repeat until all the strips are woven together.
8. Poke holes and string for hanging.
