

Tile Your World

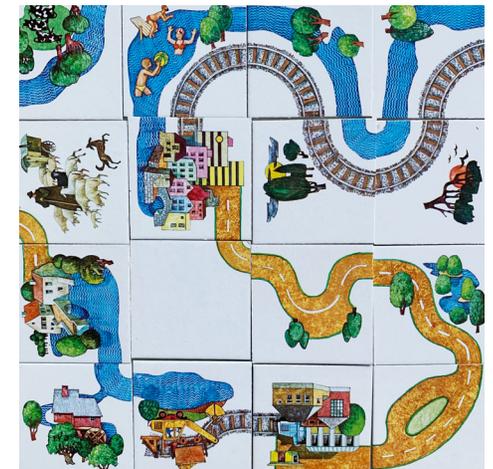

Where will your imagination take you?!

What story can you tell with your tiles? Create your own world by drawing and coloring the grid sheet and then cutting individual tiles. Mix the tiles to form new and different combinations. Add your own original tiles using scrap paper. Try mixing in different textures and patterns.

Like games?!

Board Game: Create a path through your land and make a board game. How about a hiking trail, road, river, or train tracks?

The Game of Concentration: Make two sets of tiles. Turn them so image is facing down. On your turn, flip two tiles over. If they match, keep the tiles, and turn two more tiles over to look for a match. If they don't match, it's the next player's turn.

¿A dónde te llevará tu imaginación?

¿Qué historia puedes contar con tus fichas? Crea tu propio mundo dibujando y coloreando la hoja de cuadrícula y luego cortando fichas individuales. Mezcla las fichas para formar combinaciones nuevas y diferentes. Agrega tus propias fichas originales de papel reciclado. Intenta mezclar diferentes texturas y patrones.

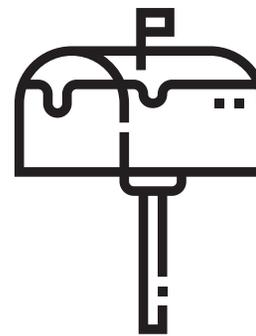

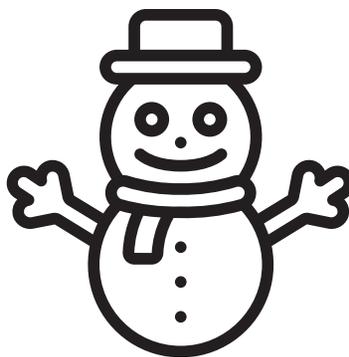

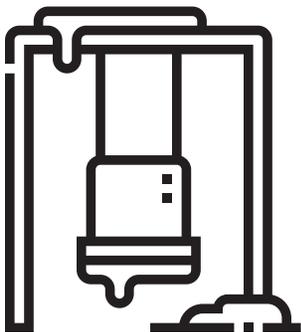

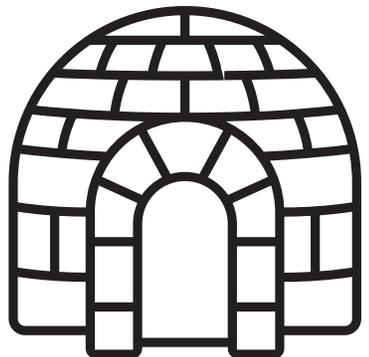

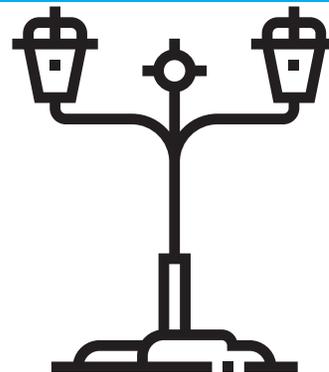

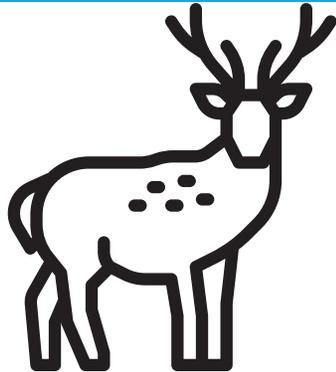

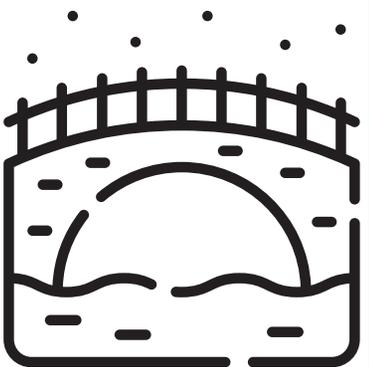

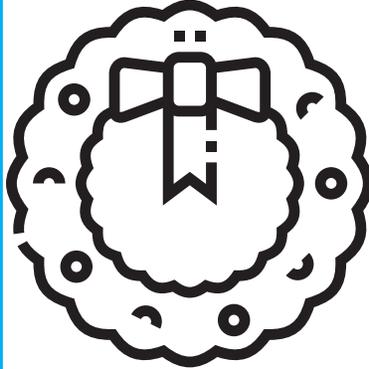

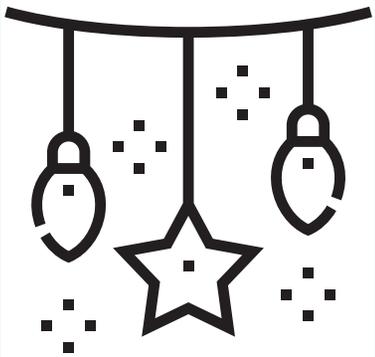

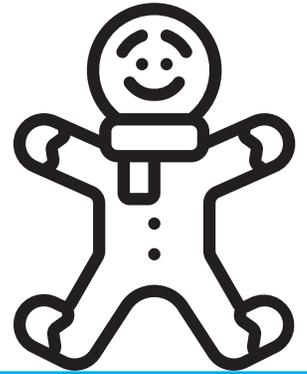

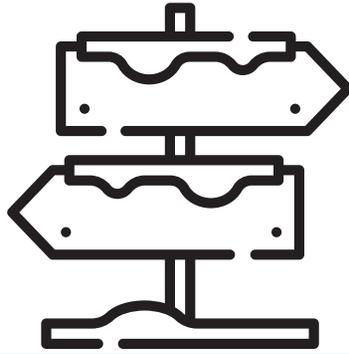

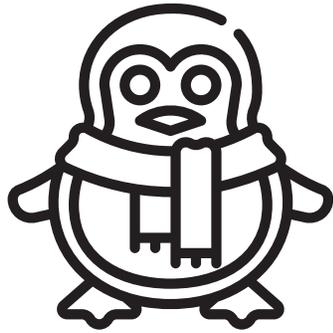

¡¿Te gustan los juegos?!

Juego de Mesa: Crea un camino a través de tu tierra y crea un juego de mesa. ¿Qué tal una ruta de senderismo, carretera, río o vías de tren?

Concentración: Haz dos conjuntos de barajas. Voltéalas para que la imagen mire hacia abajo. En tu turno, voltea dos barajas. Si coinciden, quédate con las barajas y voltea dos barajas más buscando otra pareja. Si no coinciden, es el turno del siguiente jugador.
